

Diploma in Computer System Design | Diploma in Software Engineering
Full Time Courses
Special Exam Schedule-2021 June

Module	Date	Time
Introduction to Computer Science	1-june-2021	9AM-12PM
Mathematics for Computing QTC	2-june-2021	9AM-12PM
Programming Fundamentals C Language and Data Structures	3-june-2021	9AM-12PM
Electronics and Computer Organization Computer Technology Computer Organization	4-june-2021	9AM-12PM
Database Management Systems	7-june-2021	9AM-12PM
Object Oriented Programming Object Oriented Programming-1 OOP with C++	8-june-2021	9AM-12PM
GUI Application Development Windows Application Development C#	9-june-2021	9AM-12PM
Computer Networks Computer Architecture and Networks	10-june-2021	9AM-12PM
Operating Systems System Software	11-june-2021	9AM-12PM
Enterprise Application Development-1 OOP2 Programming with Java	14-june-2021	9AM-12PM
Web Application Development internet technology	15-june-2021	9AM-12PM
System Analysis and Design Software Engineering	16-june-2021	9AM-12PM
Effective Communication Skills 1 Business Communication Skills	17-june-2021	9AM-12PM
Final Project VIVA [Student should submit proposal two months before viva to the course director]	18-june-2021	9AM-12PM
